Item 1.01. Entry into a Material Definitive Agreement

On October 15, 2015, Solar Capital Ltd. (the "Company") issued a press release announcing that it has entered into an amended and restated limited liability company agreement, dated October 15, 2015, for its Senior Secured Unitranche Loan Program LLC ("SSLP") to add Voya Investment Management LLC, part of Voya Financial, Inc. (NYSE: VOYA), as a partner in SSLP in place of the investor that was previously the Company's partner in SSLP, though this investor may still co-invest up to \$300 million of equity in unitranche loans alongside SSLP. This joint venture is expected to invest primarily in senior secured unitranche loans to middle market companies predominantly owned by private equity sponsors or entrepreneurs, consistent with the Company's core origination and underwriting mandate. In addition to the Company's prior equity commitment of \$300 million to SSLP, Voya has made an initial equity commitment of \$25 million to SSLP, with the ability to upsize. Once the portfolio is sufficiently ramped, SSLP is expected to be levered up to approximately 1.5x-2.0x debt-to-equity, based on advanced discussions with third party debt providers. The text of the press release, which is attached hereto as Exhibit 99.1, is incorporated by reference herein.

Solar Capital Ltd. Announces Addition of Voya as a Strategic Partner for Its Senior Secured Unitranche Loan Initiative

NEW YORK, NY -- (Marketwired - October 15, 2015) - Solar Capital Ltd. ("Solar Capital" or the "Company") (NASDAQ: SLRC) today announced that Voya Investment Management ("Voya") has agreed to invest in the Senior Secured Unitranche Loan Program LLC ("SSLP"). Voya acts as the investment advisor for several wholly owned insurance subsidiaries of Voya Financial, Inc. (NYSE: VOYA).

The joint venture is expected to invest primarily in middle market senior secured unitranche loans sourced by Solar Capital's origination platform. Voya has made an initial equity commitment of \$25 million to SSLP, with the ability to upsize the program. Once the portfolio is sufficiently ramped, SSLP is expected to be levered up to approximately 1.5x-2.0x debt-to-equity, based on advanced discussions with third party debt providers.

Voya plans to allocate additional capital of its insurance company affiliates and third party clients to co-invest in unitranche loans alongside SSLP. Additionally, Solar Capital's existing strategic partner may co-invest up to \$300 million of equity in unitranche loans alongside SSLP.

With the addition of Voya, equity commitments to Solar Capital's enhanced unitranche initiative total \$625 million. Including anticipated leverage, investable capital should total in excess of \$1.5 billion, which may be increased through additional co-investments by new or existing partners.

"We are thrilled to add Voya as a strategic partner in our senior secured unitranche loan initiative," said Michael Gross, chairman and CEO of Solar Capital Ltd. "Through the first lien loan partnership with Voya at our sister company, Solar Senior Capital Ltd., we've established a successful process of co-underwriting. The middle market credit investing experience and capital that Voya brings to the table enhances our origination platform's ability to provide complete financing solutions to our clients."

"Based on our successful history of investing alongside Solar Senior Capital Ltd., we view this new strategic partnership with Solar Capital Ltd. as an attractive way to expand our access to private middle market loans," said Greg Addicks, head of Private High Yield at Voya Investment Management. "Given the compelling risk-reward profile of senior secured unitranche loans, we expect to make significant investments alongside this joint venture to further diversify our private credit high yield portfolio. Our initial commitment to the SSLP is an important first step in our strategic partnership with Solar Capital Ltd. in this attractive asset class. The SSLP creates a tremendous opportunity to deliver private credit high yield opportunities to our client base. Given Voya's long history in underwriting private credits and our deep understanding of the insurance investment rating process, we believe we can deliver attractive risk adjusted returns and capital efficient solutions to our clients."
